

IRS Form 1098 T for the year 2011 is available for viewing and printing from your WebAdvisor account.

To view and print your IRS Form 1098T, log in to your WebAdvisor account, and chose [View My 1098-T Forms](#) under the Financial Information tab. Internet Explorer or Firefox are the preferred browsers for viewing and printing the form. Others may work, but these have been tested and appear to work.

Information detailing your payments may also be obtained from your WebAdvisor account by clicking on [Accounts Receivable Statement](#) under the Financial Information tab.

If you are not a currently enrolled student, but you were a student at York Technical College during the calendar year 2011, your WebAdvisor account is still active and can be accessed using your username and password. If you do not recall your username or password, please contact the help desk at 803-981-7111 during the hours listed below:

Monday – Thursday	7:30 am - 9 pm
Friday	7:30 am - 5 pm
Saturday	10:00 am - 2 pm
Sunday	1:00 pm - 5 pm

If you are unable to print your 1098-T, you may request the form be mailed. Send your request with your full name, CID number and telephone number to 1098T@yorktech.edu. Forms will be printed and mailed on Mondays, beginning February 6, 2012, to the current address on record.

York Technical College staff cannot answer any tax related questions relating to your IRS Form 1098T or your tax preparation. Please refer all tax related questions to your professional tax preparer.
