

EMT

South Carolina Advanced IV and Airway

HSC 1019

Program Overview:

This 12 hour course provides instruction to acquire SC certification as an EMT. Successful completion allows individuals to take National Registry practical and written exams. This remediation course includes updated information on IV maintenance therapy, oral tracheal intubation that is required for the SC EMT. Basic EMT's certified in another state who wish to be certified in SC, must have a letter from DHEC to register (*call DHEC EMS at (803) 545-4269 to obtain authorization letter*).

Course Cost: \$125

Textbook is available at York Technical College bookstore.

Career Opportunities: York Technical College is proud to offer other health related courses that would be an asset to the Basic EMT – EMT Intermediate and Paramedic.
