MEDICATION TECHNICIAN COURSE

Program Overview:

This is a great opportunity for CNAs to enhance skills and advance career opportunities. The Medication Technician Program is a 32 hour course that encompasses body systems, common diseases, medications, and medication delivery. The student will complete an initial competency with 100% accuracy during the course. The course has been approved by the South Carolina Board of Disabilities for persons required to be certified to pass medications.

Course Costs:

\$295.00 per student
(Textbook available at the
York Technical College Bookstore)

Career Opportunities:

Assisted Living Facilities
Board of Disabilities and Special Needs
Child Development Center Staff

To ensure participation, students should register five business days prior to the start of class. Refunds will not be given to persons cancelling less than two business days prior to the start of class. If we are forced to cancel a class due to low enrollment, full refunds will be made.
