

# RN REFRESHER COURSE

## HSC 1460

### Program Overview:

This in-depth RN Refresher course is an excellent way to learn new or practice current skills. Through this course, an inactive licensed RN is able to renew their licensing and acquire new skills in their field. By focusing on the updated skills that are required to renew your license, this course will allow you to become knowledgeable in the most recent techniques in the Nursing field.

The student will be required to attend eight laboratory classes totaling 64-hours that will be offered at York Technical College or one of our sister technical colleges, dependant upon registration numbers. There are also 120-hours of course work and lectures that are completed online.

Piedmont Medical Center in Rock Hill SC will allow the use of their facilities for the required 84-hours of clinical experience for candidates in our area. There may be a clinical fee attached. Other clinical sites may be available.

Please call or email Abbe Fass, Greenville Technical College for registration request at (864) 250-8235 or [abbe.fass@gvltec.edu](mailto:abbe.fass@gvltec.edu).

### Course Cost:

\$899.00 - Lab fees are included. Textbooks and clinical requirements are not included.

### Textbooks:

Thomson Learning's Nursing Review Series

Medical Surgical Nursing and Altman, G., Buchsel, P., & Coxon, V. (2003).
