NURSING ASSISTANT COURSE

Classroom-HSC 5570

Knowledge and application of some basic computer skills are needed to be successful in some of the healthcare courses and in the healthcare setting in general.

COMPUTERS FOR THE HEALTHCARE SETTING is strongly recommended.

Program Overview: Nursing aides, also known as nursing assistants, perform routine tasks under the supervision of nursing and medical staff. A wide variety of employment opportunities are available: long-term care facility, hospital, medical office, home health, agency, and more. This program is state approved. Upon successful completion of the course, the student is eligible to take state testing to become a Certified Nursing Assistant.

Course Cost: \$485. (Chester students \$545-to include required Criminal background fee) Books are available at York Technical College bookstore- approximately \$50.

Salary Range: \$9-\$12

Career Opportunities: York Technical College is proud to offer other health related courses would be an asset to a Certified Nursing Assistant such as Medical Laboratory Technician, Medical Office Assistant, Nursing, Radiography and Surgical Technology.

All students need to be 18 years of age. Special circumstances on age requirement would have to be addressed with program manager of CEHHS. A criminal background will prevent a student from state certification testing and working in healthcare).
