

Photoshop Elements 8 Advanced

Go beyond basic photo editing in Photoshop Elements 8 and explore the non-automated tools in Photoshop elements. Class will discuss layers, filters and adjustment layers; composition of detailed collages; advanced editing techniques and fixes for faces; detailed color corrections; editing RAW photos and restoring old and vintage photos that looks "untouched" artistic composition.

Beginning	Ending	Time	Day(s) of Week	Price
04/09/2012	04/30/2012	6:00 pm – 9:00 pm	Tuesday	\$139
