

**THE UNFINISHED TEST CRITICAL THINKING RUBRIC**

	<b>Advanced - 4</b>	<b>Competent - 3</b>	<b>Developing - 2</b>	<b>Elementary - 1</b>	<b>Score ____</b>
<b>Identify</b>	Clearly defines the root problem or situation that hinders the completion of the test; has a clear understanding of the situation	Recognizes that there is a problem and can identify some component parts	Identifies inappropriate issues that hindered the completion of the test; unable to accurately describe the problem	Fails to identify any problem with the situation; does not understand pertinent information	
<b>Gather</b>	Gathers all pertinent materials and manages time effectively in order to complete tests; considers all hindrances to situation	Gathers some pertinent information; considers most assumptions	Gathers inadequate materials and information for completion of the test; considers some assumptions	Fails to gather pertinent information and materials; do not take assumptions under consideration	
<b>Examine</b>	Identifies relationships between all involved; connects relationship between problem, material, and information needed; sorts through pertinent facts	Connects some relationship of situation between key points	Fails to focus on the situation; recognizes some priorities	Disregards the issue; does not prioritize; unable to determine key points	
<b>Formulate</b>	Formulates a concrete solution to problem encountered; devises a logical plan of action for future test preparedness	Suggests a possible solution for corrective measures, however, solution is not always feasible	Presents few options for corrective measures	Presents no alternative plan; fails to develop a coherent plan	
<b>Apply</b>	Implements a concrete solution to future test preparedness and self management	Implements a partial plan for future test preparedness and self management	Inaccurately implements a cohesive plan for self management	Does not implement a plan; fails to understand issues	
<b>Evaluate</b>	Assesses conclusion in terms of reliability; develops plan for future improvements to self-management	Judges results but does not provide plan for self-management solutions	Draws faulty conclusions	Fails to question situation; fails to assess conclusion
