

## Dental Health Professions Program

### Infiltration Anesthesia HSC 930

Coordinated by: York Technical College Dental Health Professions Program

**Call for Dates**                      **Course Cost: \$195**  
**Book available at the York Technical College Bookstore**

**Infiltration Anesthesia** will present course objectives covering psychology of pain control, physiology of pain control via infiltration, effective and safe infiltration technique, management of complications of infiltration, and clinical competence in infiltration anesthesia. Dr. Charles Crosby and the Dental Hygiene Faculty of York Technical College are presenting this course. SC State Board will award 7 CEUs upon course completion. Successful completion of this course will meet the criteria to take the South Carolina Board of Dentistry Infiltration Certification Exam in Columbia, SC.

**Requirements due on first day of class:** CPR certificate, HBV inoculation record, liability coverage, and graduation/matriculation proof.

**Clinical Partner:** Each participant must agree to be a client for a clinical partner who will administer multiple infiltrations during this course. If you do not register concurrently with a clinical partner, you will be assigned a partner on site.
