

PHARMACY TECHNICIAN NATIONAL CERTIFICATION EXAM PREPARATION ONLINE (HSC 1172)

*******Register at any time*******

Program Overview:

The Pharmacy Technician Certification Board National Exam is given three times per year throughout the country. This rigorous exam is comprised of 125, multiple choice questions and is given over the course of three hours. When you register to take the National Certification Exam, it will cost you \$120. Then, if you do not pass the exam, you will have to pay \$120 for each attempt! Don't let your original registration money go to waste by not being fully prepared for this exam! Improve your chances for success with the Rx Success National Certification On-Line Review Course.

The Rx Success Certification Review Course will thoroughly prepare you for the challenges of the National Certification Exam. The Certification Exam tests over many different areas of Pharmacy, so if you have never worked in a hospital, or have only worked in retail, we will prepare you to answer questions about other practice settings. The Rx Success program offers great flexibility – you may log in to your course from any computer with an internet connection!

Course Cost: \$79 (includes all books and supplies)
