

2010 RESTORATIVE AIDE HSC 5509

Program Overview

This 40 hour course includes both classroom and laboratory instruction *for those interested in developing the necessary skills to assist patients and/or family members in their rehabilitation efforts*. Students will learn the skills required to enhance the mobility and function of patients. Students will also learn the effects that aging, illness and injury have on patients as well as the vital role the restorative aide serves as a member of the health care team.

Salary Range:

Varied (Mid 20's per year for the CNA with these added skills)

Career Opportunities:

Therapy Departments, Acute Care Hospitals, Rehab Hospitals, Out Patient Centers, Nursing Centers, Hospice Agencies, Home Health Agencies, Assisted Living Facilities (CNA may be required for employment in some areas)

EXPENSES	
Cost of program	\$295
Book packet/Supplies	Approximately \$65 (refer to HSC 5509 at bookstore)

To ensure participation, students should register five business days prior to the start of class. Refunds will not be given to persons cancelling less than two business days prior to the start of class. If we are forced to cancel a class due to low enrollment, full refunds will be made.
